

## **VCU Division of Community Engagement Spanish Language and Culture Instruction**

The Office of Continuing Studies in the Division of Community Engagement provides off campus credit instruction in Spanish language and culture.

### Spanish Community Liaison

Our Community Spanish Liaison is a faculty position dedicated to the delivery of Spanish language and culture instruction. Our Liaison also serves as the University's point of contact for the community for information on Spanish training and community resources.

### Profession Specific Courses

The Liaison works with faculty members and community groups to develop profession specific language courses to facilitate a more meaningful and useful learning experience. Examples include Spanish for Law Enforcement Professionals, Spanish for Medical Professionals and Spanish for Educators.

### Course Flexibility

Spanish courses delivered in the community are tailored to meet the scheduling needs and financial capabilities of each community group. Courses can be designed for 1, 2 or 3 credit hours.
